Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

**ISSUANCE AND SALE OF LONG BEACH UNIFIED SCHOOL DISTRICT 2012-13 TAX AND  
REVENUE ANTICIPATION NOTES (FOURTH DISTRICT) (3 VOTES)**

**SUBJECT**

The governing board of the Long Beach Unified School District (the "District") has requested that the County issue tax and revenue anticipation notes on its behalf in an aggregate principal amount not to exceed \$125,000,000. Pursuant to Article 7.6 and commencing with Section 53850 of the Government Code, school districts organized and existing under the laws of the State of California are authorized to borrow money through the issuance of short-term notes. Repayment of the notes will be from the general revenues of the District.

**IT IS RECOMMENDED THAT THE BOARD:**

Adopt the resolution authorizing the issuance and sale of the Long Beach Unified School District 2012-13 Tax and Revenue Anticipation Notes (the "Notes") in an aggregate principal amount not to exceed \$125,000,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The governing board of the District adopted a resolution on December 18, 2012 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$125,000,000 to be used for authorized purposes.

Pursuant to Section 53850 et seq. of the California Government Code, the Board of Supervisors is responsible for offering the District's Notes for sale. The Notes are to be issued in the name of and on behalf of the District by the County following receipt of the District's resolution requesting such

borrowing.

### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal 2: Fiscal Sustainability through collaborative actions between the County and other local jurisdictions to provide sufficient financial resources to meet the Fiscal Year 2012-13 cash flow requirements of the District.

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Tax and Revenue Anticipation Notes are short-term debt instruments that provide borrowers with the ability to finance their operating cash flow deficits during a given fiscal year. The resolution provides for the issuance of Notes at an interest rate not to exceed the maximum rate permitted by law. The Notes shall mature no later than thirteen (13) months from the date of issuance. Principal and interest payments on the Notes shall be payable from taxes, income, revenue (including, but not limited to, revenue from State and Federal governments), cash receipts and other funds received by the District during or attributable to Fiscal Year 2012-13.

The District is considering the option of selling the notes through a negotiated or competitive sale, which will be determined at a future date. The District has selected the firm of Stradling Yocca Carlson & Rauth as bond counsel, and is requesting the Treasurer and Tax Collector to be appointed as the paying agent.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

### **CONCLUSION**

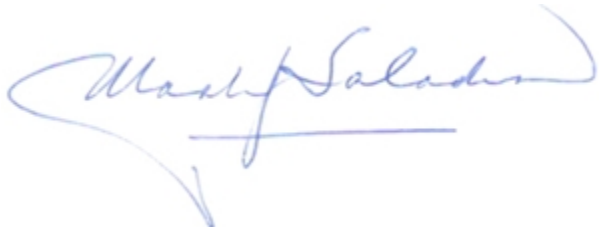

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

**WHEREAS**, pursuant to Sections 53850 *et seq.* of the Government Code (the "Act") of the State of California (the "State") contained in Article 7.6 thereof, entitled "Temporary Borrowing," on or after the first day of any fiscal year (being July 1), a school district may borrow money by issuing notes for any purpose for which the school district is authorized to expend moneys, including but not limited to current expenses, investment and reinvestment, capital expenditures, and the discharge of any obligation or indebtedness of the school district; and

**WHEREAS**, Section 53853 of the Act provides that, in the case of school districts that have not been accorded fiscal accountability status pursuant to Section 42647 of the California Education Code, such notes must be issued in the name of such school district by the board of supervisors of the county, the county superintendent of schools of which has jurisdiction over such school district, as soon as possible following the receipt of a resolution of the governing board of such school district requesting the borrowing; and

**WHEREAS**, the Superintendent of Schools (the "County Superintendent") of the County of Los Angeles (the "County") has jurisdiction over Long Beach Unified School District (the "District"), and this Board of Supervisors of the County (the "County Board") has received a resolution, adopted on December 18, 2012 (the "District Resolution") of the Board of Education of the District (the "District Board"), which District Resolution requests the borrowing of not-to-exceed One Hundred Twenty Five Million Dollars (\$125,000,000) at an interest rate not-to-exceed the maximum rate authorized by law, through the issuance by the County Board of 2012-13 Tax and Revenue Anticipation Notes (the "Notes") in the name of the District, such Notes to be sold by competitive or negotiated sale, as further described herein; and

**WHEREAS**, such Notes shall be payable on such date that is not later than thirteen months after the date of issue; and

**WHEREAS**, pursuant to Section 53856 of the Act, the District may pledge, as security for the Notes, any taxes, income, revenue (including, but not limited to, revenue from state and local governments), cash receipts or other moneys, including monies deposited in inactive or term deposits (but excepting certain moneys encumbered for a special purpose); and the District Resolution specifies that certain of such revenues that will be received by the District for the General Fund thereof shall be pledged for the payment of the Notes; and

**WHEREAS**, the Notes shall be a general obligation of the District, and to the extent not paid from Unrestricted Revenues (defined herein) shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Act, and shall not in any way be deemed an obligation of the County; and

**WHEREAS**, the District has determined that included in such Unrestricted Revenues to be pledged to the repayment of the Notes are State apportionment monies that were expected to be received by the District during fiscal year 2012-13 but, due to the deferral of certain State monies by the State, will not be received until after June 30, 2013 (the "Deferred Revenues"); and

**WHEREAS**, the District has, pursuant to the District Resolution, determined and found that such Deferred Revenues are accrued to fiscal year 2012-13 and available to pay the principal of and interest on the Notes; and

**WHEREAS**, the Notes shall be in denominations of \$5,000 principal amount, or integral multiples thereof, as permitted by Section 53854 of the Act; shall be issued on a date to be designated pursuant to, and shall be in the form and executed in the manner prescribed in, the District Resolution and herein, as required by Section 53853 of the Act; and

**WHEREAS**, the District has found and determined that said \$125,000,000 maximum principal amount of Notes to be issued in fiscal year 2012-13, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon, as required by Section 53858 of the Act; and

**WHEREAS**, the District has determined that the Notes will not be outstanding after a period ending thirteen months after the date on which such Notes are issued, as will be set forth in the Note Purchase Agreement (defined herein), and will not be issued in an amount greater than the maximum anticipated cumulative cash flow deficit to be financed by the anticipated tax or other revenue sources for the period for which such taxes or other revenues are anticipated and during which such Notes are outstanding, all as provided in Section 1.103-14(c) of the Income Tax Regulations of the United States Treasury; and

**WHEREAS**, the District has determined that it has not filed, during the current fiscal year, and did not file in the immediately preceding fiscal year, a qualified or negative interim financial report pursuant to Section 42131 of the Education Code;

**NOW, THEREFORE**, the Board of Supervisors of the County of Los Angeles hereby resolves as follows:

**Section 1. Authorization of Issuance of Notes; Terms Thereof; Paying Agent.** As required by law and pursuant to the request of the District, the County Board hereby determines to and shall issue in the name of the District, not-to-exceed \$125,000,000 principal amount of notes under Sections 53850 *et seq.* of the Act, designated "Long Beach Unified School District, County of Los Angeles, State of California, 2012-13 Tax and Revenue Anticipation Notes" (the "Notes"). The Notes are authorized to be issued in one or more series of Notes, with appropriate series designation if more than one series is issued, numbered from 1 consecutively upward in order of issuance, and in the denominations of \$5,000 principal amount or integral multiples thereof. The Notes shall be dated the date of delivery thereof; shall mature (with or without option of prior redemption, as determined at the time of sale) on a day (or days, if more than one series of Notes is issued) in which banks in New York or California are open for business and no later than thirteen months after the date of issuance (on a 30-day month/360-day year basis); and shall bear interest, payable on or before

maturity and computed on a 30-day month/360-day year basis, at the per annum rate or rates not in excess of the maximum rate allowed by law.

Both the principal of and interest on the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the principal office of the Treasurer and Tax Collector of the County (the "Treasurer") who is hereby appointed as the paying agent on the Notes (in such capacity, the "Paying Agent"). For purposes of the Notes, the Paying Agent shall be deemed to be a "fiscal agent" within the meaning of Section 53601 of the Government Code of the State of California. The Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this Resolution.

**Section 2. Form of Notes.** The Notes shall be initially issued in fully-registered book entry form, without coupons, and shall be substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures. The Notes may be initially registered in the name of "Cede & Co." as nominee of The Depository Trust Company, and shall be evidenced by one or more note certificates in the full principal amount of the Notes. The Depository Trust Company, New York, New York is hereby appointed the securities depository for the Notes. Registered ownership may not thereafter be transferred except as set forth in Sections 3 and 4 hereof. There shall be simultaneously delivered with each Note, the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation respecting the validity of said Notes.

**Section 3. Transfer and Exchange of Notes.** Subject to the provisions of Section 4 hereof, the registration of any Note may, in accordance with its terms, be transferred, upon the registration books kept by the Paying Agent for such purpose, by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Note for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Paying Agent.

Whenever any Note or Notes shall be surrendered for registration or transfer, the Paying Agent shall execute and deliver a new Note or Notes, for a like aggregate principal amount. The Paying Agent shall require the Note owner requesting such registration of transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The District may require the owner requesting such registration of transfer to pay such additional reasonable charge as may be necessary to cover customary expenses incurred and fees charged by the Paying Agent with respect to such registration of transfer. The Paying Agent may treat the registered owner of any Note as the absolute owner thereof for all purposes whatsoever in accordance with this resolution, and the Paying Agent shall not be affected by any notice to the contrary.

Subject to the provisions of Section 4 hereof, Notes may be exchanged at the office of the Paying Agent for a like aggregate principal amount of Notes in other authorized denominations. The Paying Agent shall require the payment by the Note owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. The District may require the owner requesting such exchange to pay such additional reasonable charge as may be necessary to cover customary expenses incurred and fees charged by the Paying Agent or the District with respect to such exchange.

**Section 4. Use of Depository.** (1) The Notes may be initially registered as provided in Section 2 hereof. Registered ownership of the Notes, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section 4 (a "Substitute Depository"); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or a Substitute Depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any Substitute Depository not objected to by the Paying Agent, upon (1) the resignation of The Depository Trust Company or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any Substitute Depository or its successor) is no longer able to carry out its functions as depository; provided, that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or Substitute Depository or its successor) from its functions as depository, or (2) a determination by the Paying Agent to remove The Depository Trust Company or its successor (or any Substitute Depository or its successor) from its functions as depository.

(2) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (1) of this Section 4, upon receipt of the outstanding Notes by the Paying Agent, together with a request of the District to the Paying Agent, a new Note shall be executed and delivered in the aggregate principal amount of the Notes registered in the name of such successor or such Substitute Depository, or their nominees, as the case may be, all as specified in such request of the District. In the case of any transfer pursuant to clause (iii) of subsection (1) of this Section 4, upon receipt of the outstanding Notes by the Paying Agent together with a request of the District to the Paying Agent, new Notes shall be executed and delivered in such denominations numbered in the manner determined by the Paying Agent and registered in the names of such persons as are requested in such a request of the District; provided, the Paying Agent shall not be required to deliver such new Notes within a period less than sixty (60) days from the date of receipt of such a request of the County. Thereafter, Notes shall be transferred pursuant to Section 3 hereof.

(3) The Paying Agent shall be entitled to treat the person in whose name any Note is registered as the owner thereof for all purposes of this resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent, the District or the County; and the Paying Agent shall have no responsibility for transmitting payments to, communication with, notifying, or otherwise dealing with any beneficial owners of the Notes and neither the County, the District nor the Paying Agent will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party, including The Depository Trust Company or its successor (or Substitute Depository or its successor), except for the registered owner (the "Owner") of any Notes.

(4) So long as the outstanding Notes are registered in the name of Cede & Co. or its registered assigns, the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Notes by arranging

for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

**Section 5. Deposit of Note Proceeds; No Arbitrage.** The moneys so borrowed shall be deposited with the District into a segregated account within the General Fund of the District and shall be pledged to the payment of the Notes to the extent sufficient Pledged Revenues (as defined below) and other legally available revenues are not deposited into the Repayment Fund (as defined below). The District has covenanted that it will make no use of the proceeds of the Notes that would cause the Notes to be "arbitrage bonds" under Section 148 of the Code; and, to that end, so long as any of the Notes are outstanding, the District, and all of its officers having custody or control of such proceeds, shall comply with all requirements of said section, including restrictions on the use and investment of proceeds of the Notes and the rebate of a portion of investment earnings on certain amounts, including proceeds of the Notes, if required, to the Federal government, and of the Income Tax Regulations of the United States Treasury promulgated thereunder or under any predecessor provisions, to the extent that such regulations are, at the time, applicable and in effect, so that the Notes will not be "arbitrage bonds."

**Section 6. Payment of Notes.**

(A) **Source of Payment.** The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue (including but not limited to revenue from state and local governments), cash receipts and other moneys (including moneys deposited in inactive or term deposits, but excepting moneys encumbered for a special purpose) of the District, as provided in Section 53856 of the Act, which are generally available for the payment of current expenses and other obligations of the District (collectively, the "Unrestricted Revenues").

To the extent the Notes mature during the fiscal year succeeding fiscal year 2012-13, the Notes shall be payable only from Unrestricted Revenues which are received in or accrued to the District's 2012-13 fiscal year. Included in such revenues are State apportionments which otherwise would have been or would be received between July 2012 through June 2013 but which, due to the deferral of such apportionments by the State, will not be received until after June 30, 2013 (collectively, the "Deferred Revenues"). The Deferred Revenues are hereby determined to be accrued to the District's 2012-13 fiscal year, and are further determined to be lawfully available to pay the principal of and interest on the Notes.

The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Unrestricted Revenues pledged to the repayment thereof described herein, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law. Notwithstanding anything to the contrary contained herein or in any document mentioned herein or related to the Notes, and in the event Note proceeds or moneys on deposit in the Repayment Fund are invested pursuant to Section 6(E) hereof, the County shall not have any monetary liability hereunder or by reason hereof or in connection with the transactions contemplated hereby and the Notes shall be payable solely from the moneys of the District available therefor as set forth in this Section and in Section 4 of the District Resolution. Further, the County shall have no responsibility for or liability as a result of the use of the proceeds of the sale of the Notes.

(B) Pledged Revenues. Except as otherwise provided in the Notice Inviting Bids or Note Purchase Agreement (each as defined herein), as security for the payment of the principal of and interest on the Notes, as provided in the District Resolution, the District has pledged (i) amount equal to fifty percent (50%) of the principal of the Notes from the first Unrestricted Revenues received by the District in the month ending July 31, 2013; and (ii) an amount equal to fifty percent (50%) of the principal of the Notes, 100% of the interest due thereon, as well as any deficiency in the amount required to be deposited during any prior month, from the first Unrestricted Revenues received by the District in the month ending August 31, 2013 (such pledged amounts being hereinafter referred to as the "Pledged Revenues"). Except as otherwise provided for in the Note Purchase Agreement or Notice Inviting Bids, Pledged Revenues shall be deposited by the District no later than the last day of each month specified above into the Repayment Fund (defined herein).

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues as provided by law.

In the event that there are insufficient Unrestricted Revenues received by the District to permit the deposit into the Repayment Fund, as hereinafter defined, of the full amount of Pledged Revenues to be deposited from such Unrestricted Revenues in any month, then the amount of such deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and the interest thereon.

(C) Covenant Regarding Additional Short-term Borrowing. The District has covenanted and warranted that, while provision for payment of the Notes has not been made, it will not request the Treasurer to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District during the 2012-13 fiscal year pursuant to the authority of Article XVI, Section 6 of the Constitution of the State of California or any other legal authority.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a special fund designated as the "Long Beach Unified School District 2012-13 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and applied as directed in this Resolution. Any moneys placed in the Repayment Fund shall be for the benefit of the holders of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

(E) Disbursement and Investment of Moneys in Repayment Fund. From the date this Resolution takes effect, all Pledged Revenues shall, as and when received, be accounted for in the Repayment Fund. After such date as the amount of Pledged Revenues deposited for in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the General Fund of the District upon the request thereof. On the maturity date of the Notes, the moneys in the Repayment Fund shall be used to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund shall be invested in accordance with the District Resolution, at the request of the District, as permitted by applicable California law, as it is now in effect and as it

may be amended, modified or supplemented from time to time, including investments authorized by Section 11 hereof; to the extent that moneys invested or held by the County are subject to arbitrage rebate, neither the County nor any officer or employee of the County shall assume hereunder or under the provisions of any rebate certificate any duty or obligation to make the actual calculations of arbitrage rebate liability of the District, or to pay any such rebate or any penalties in regard thereto if the District miscalculates or fails to pay or cause such rebate or such penalties to be paid.

**Section 7. Execution of Notes.** The Chairman of the Board of Supervisors, the Treasurer and the Executive Officer-Clerk of the County Board (the "Clerk") are hereby authorized and directed to sign the Notes manually or by facsimile signature, provided that at least one of the foregoing shall sign manually, and the Clerk is hereby authorized to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby authorized to cause the blank spaces thereof to be filled in as may be appropriate.

**Section 8. Sale of Notes.** The District has approved the sale of the Notes at a negotiated sale or a competitive sale, pursuant to a determination of an authorized District official as provided in the District Resolution.

(A) If the Notes are sold at a negotiated sale, such sale shall be undertaken pursuant to the terms of a note purchase agreement (the "Note Purchase Agreement"), by and among the District, the County and the Underwriter, the form of which, as presented at this meeting and on file with the the Board, is hereby approved. The Treasurer (or designated deputy thereof) is hereby authorized to execute and deliver the Note Purchase Agreement, and an Authorized Officers of the District (as defined in the District Resolution) are hereby requested to acknowledge such Note Purchase Agreement, with such changes therein, deletions therefrom and modifications thereto as the Treasurer shall approve, such approval to be conclusively evidenced by his execution and delivery thereof; provided, however, that the maximum interest rate on the Notes shall not exceed that authorized by law and that the underwriting discount shall not exceed 1.0% of the par amount of the Notes. The Treasurer is hereby further authorized to determine the maximum principal amount of Notes to be specified in the Note Purchase Agreement, up to \$125,000,000 and to enter into and execute the Note Purchase Agreement with the Underwriter (defined herein) and the District, if the conditions set forth in this Resolution and the District Resolution are satisfied.

(B) If the Notes are sold at a competitive sale, such sale shall be undertaken pursuant to the Notice Inviting Proposals for the Purchase of Notes (the "Notice Inviting Bids"), as set forth in Exhibit B hereto. The District Authorized Officers have been authorized to execute the Notice of Intention to Sell Notes attached hereto as Exhibit C (the "Notice of Intention") and to cause the Notice of Intention to be published once at least five (5) days prior to the date set to receive bids in The Bond Buyer.

The terms and conditions of the offering and the sale of the Notes shall be as specified in the Notice Inviting Bids. The District shall award the sale of the Notes by acceptance of the bids with the lowest true interest cost with respect to the Notes, so long as the principal amount of the Notes does not exceed \$125,000,000, and the interest rate on the Notes does not exceed the maximum rate authorized by law.

The District's Financial Advisor and/or Bond Counsel have been authorized and directed to open the bids at the time and place specified in the Notice Inviting Bids and to present the same to

the Authorized Officers and/or authorized officers of the County. The Financial Advisor and/or Bond Counsel have been further authorized and directed to receive and record the receipt of all bids made pursuant to the Notice Inviting Bids; to cause said bids to be examined for compliance with the Notice Inviting Bids; and to cause computations to be made as to which bidder has bid the lowest true interest cost with respect to the Notes, as provided in the Notice Inviting Bids, along with a report as to the foregoing and any other matters deemed pertinent to the award of the Notes and the proceedings for the issuance thereof.

**Section 9. Delivery of Notes.** The proper officers of the County Board are hereby authorized and directed to deliver the Notes to the purchaser thereof. All actions heretofore taken by the officers and agents of the County Board with respect to the sale and issuance of the Notes are hereby approved, confirmed and ratified, and the officers of the County Board are hereby authorized and directed, for and in the name and on behalf of the County Board, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this Resolution and the resolution heretofore adopted by the District Board.

**Section 10. Recitals.** All the recitals in this Resolution above are true and correct and this County Board so finds, determines and represents.

**Section 11. Authorization to Invest Proceeds.** Pursuant to Section 53601(l) of the Government Code of the State of California, the following are hereby designated as authorized investments for the proceeds of the Notes and for the moneys in the Repayment Fund: (i) a guaranteed investment contract with a financial institution or insurance company which has or its guarantor has at the date of execution thereof one or more outstanding issues of unsecured, uninsured and unguaranteed debt obligations or a claims paying ability rated not lower than the second highest rating category (without regard to subcategories) by Standard & Poor's Ratings, a Standard & Poor's Financial Services LLC business and Moody's Investors Service; (ii) the Local Agency Investment Fund (LAIF) administered by the State of California (iii) the Los Angeles County Investment Pool.

**Section 12. Other Actions.** (A) Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Notes and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(B) Notwithstanding any other provisions herein, the provisions of this resolution as they relate to the terms of the Notes may be amended by the Note Purchase Agreement or Notice Inviting Bids, as applicable.

\* Preliminary, subject to change.

II. Notes:

The issue shall consist of \$ \_\_\_\_\_ \* of Notes, designated "Long Beach Unified School District, Los Angeles County, State of California, 2012-13 Tax and Revenue Anticipation Notes," consisting of fully-registered book-entry notes, without coupons. The Notes will be dated the date of delivery, and will all mature on \_\_\_\_\_, 2013.

III. Purpose of the Issue:

The Notes are to be issued in the name of the District by the County and are authorized pursuant to the provisions of the Act and the provisions of authorizing resolutions of the Board of Education of the District and of the Board of Supervisors of the County, for any purpose for which the District is authorized to use and expend moneys.

IV. Adjustment of Principal Amounts:

The estimated principal amounts of the Notes reflect certain assumptions of the District and Keygent LLC, as Financial Advisor to the District, with respect to the likely interest rates of the winning bid or bids. Following the determination of the successful bidder or bidders, the Chief Business and Financial Officer, on behalf of the District, reserves the right to increase or decrease the principal amount of the Notes, in \$5,000 increments of principal amounts. Such adjustment shall be made within 26 hours of the bid opening and in the sole discretion of the District, upon recommendation of the Financial Advisor. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and the successful bid or bids may not be withdrawn, and the successful bidder will not be permitted to change the interest rate(s) in its bid for the Notes. The percentage compensation to be paid to the successful bidder will not change if such an adjustment is made.

V. Interest Rates:

The maximum interest rate bid may not exceed \_\_\_\_\_ (\_\_\_\_%) per annum, payable upon maturity of the Notes. Bidders must specify the rate of interest which the Notes bid upon shall bear, provided that: (i) all Notes shall bear the same interest rate; (ii) no Note shall bear more than one rate of interest; (iii) each Note shall bear interest from its date of delivery to its stated maturity date at the interest rate specified in the bid; (iv) the interest rate specified must be in a multiple of 1/1000 of one percent. Interest will be computed on a 30-day month/360-day year basis.

VI. Redemption:

The Notes will not be subject to redemption prior to their stated maturity dates.

VII. Registration of Notes as to Principal and Interest and Place of Payment:

The Notes, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Notes. Individual purchases will be made in book-entry form only, in the denominations of \$5,000 and integral multiples thereof. Purchasers will not receive certificates representing their interest in the Notes purchased. Principal and interest are payable in lawful money of the United States of America and will be paid to DTC which in turn will remit such amounts to the beneficial owners of the Notes through DTC's Participants, as described in the Preliminary Official Statement.

VIII. Source of Payment:

The Notes are obligations of the District and shall not in any way be payable from County moneys, and as security for the payment of the principal of and interest on the Notes, the following Pledged Revenues: an amount equal to fifty percent (50%) of the principal of and interest due on the Notes from the first Unrestricted Revenues received by the District in the month ending \_\_\_\_\_, 2013; an amount equal to fifty percent (50%) of the principal of and interest due on the Notes, as well as any deficiency in amounts previously required to be set aside for repayment of the Notes, from the first Unrestricted Revenues received by the District in the month ending \_\_\_\_\_, 2013. Pursuant to the Act, the Notes are declared to be a general obligation of the District and to the extent not paid from said Pledged Revenues shall be paid with the interest thereon from any other moneys of the District lawfully therefor.

IX. Form of Bid:

A prescribed form of bid for the Notes has been prepared and is attached hereto. Bids must be submitted electronically via PARITY.

All bids which are submitted electronically via PARITY pursuant to the procedures described below shall be deemed to constitute a Bid for Purchase of the Notes and shall be deemed to incorporate by reference all of the terms and conditions of this Notice Inviting Proposals for Purchase of Notes. The submission of a bid electronically via PARITY shall constitute and be deemed the bidder's signature on the Bid for Purchase of the Notes.

X. Procedures Regarding Electronic Bidding:

Bids may be submitted electronically via PARITY in accordance with this Notice Inviting Proposals for Purchase of Notes, until 8:30 a.m., California Time, on \_\_\_\_\_, 2013, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice Inviting Proposals for Purchase of Notes, the terms of this Notice Inviting Proposals for Purchase of Notes shall control. For further information about PARITY, potential bidders may contact the District's Financial Advisor or PARITY at Dalcomp at (212) 806-8304. In the event that a bid for the Notes is submitted via PARITY, the bidder further agrees that:

1. The District may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Notes, the interest rate or rates to be borne by the various maturities of the Notes, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted on the Bid for Purchase of the Notes form, provided by the District and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the District, the terms of the Bid for Purchase of the Notes and the Notice Inviting Proposals for Purchase of Notes and the information that is electronically transmitted through PARITY shall form a contract and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the District, and the District shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the District or information provided by the bidder.

3. The District may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via PARITY's internet site (www.tm3.com) no later than 1:00 P.M. (California Time) on the last business day prior to the date of sale.

4. Once the bids are communicated electronically via PARITY to the District as described above, each bid will constitute a Bid for Purchase of the Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice Inviting Proposals for Purchase of Notes. For purposes of submitting all Bids for Purchase of the Notes, whether by hand delivery, facsimile or electronically via PARITY, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with this Notice Inviting Proposals for Purchase of Notes. Neither the District nor Dalcomp shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the District nor Dalcomp shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY. The District is using PARITY as a communication mechanism, and not as the District's agent, to conduct the electronic bidding for the Notes. By using PARITY, each bidder agrees to hold the District harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Notes.

In the event that both an electronic bid and a facsimile bid from a single bidder are received at or prior to the bid receipt deadline, and to the extent that there is an inconsistency in the interest rates or price bid, the facsimile shall be deemed to be the bid submitted. No bid received after the deadline shall be considered. In any case, each bid must be in accordance with the terms and conditions set forth in this official Notice Inviting Proposals for Purchase of Notes.

XI. Estimate of True Interest Cost:

Bidders are requested (but not required) to supply an estimate of the total true interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the Board of Education of the District.

XII. Deposit:

Except as otherwise provided below, a good faith deposit (the "Deposit") in the form of a certified, treasurer's or cashier's check drawn on a solvent commercial bank or trust company in the United States of America or a Financial Surety Bond issued by an insurance company licensed to issue such surety bond in the State of California, made payable to

Long Beach Unified School District  
in the amount of  
\$ \_\_\_\_\_

is required for any bid to be accepted. If a check is used, it must accompany each bid. If a Financial Surety Bond is used, such surety bond must be submitted to the District or its Financial Advisor prior

to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. If the winning bidder on the Notes is determined to be a bidder utilizing a Financial Surety Bond, then that bidder is required to submit its Deposit to the District in the form of a cashier's check (or wire transfer such amount as instructed by the District or its Financial Advisor) not later than 10:00 a.m. (California time) on the next business day following the bid opening. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the District to satisfy the Deposit requirement. If the apparent winning bidder on the Notes is determined to be a bidder who has not submitted a Deposit in the form of a Financial Surety Bond or check, as provided above, the Financial Advisor will request the apparent winning bidder to immediately wire the Deposit (as provided in Section XIX hereto) and provide the Federal wire reference number of such Deposit to the Financial Advisor within 90 minutes of such request by the Financial Advisor. The Notes will not be officially awarded to a bidder who has not submitted a Deposit in the form of a Financial Surety Bond or check, as provided above, until such time as the bidder has provided a Federal wire reference number for the Deposit to the Financial Advisor.

No interest on the Deposit will accrue to any bidder. The District will deposit the Deposit of the winning bidder. The Deposit (without accruing interest) of the winning bidder will be applied to the purchase price of the Notes. In the event the winning bidder fails to honor its accepted bid, the Deposit plus any interest accrued on the Deposit will be retained by the District. Any investment income earned on the good faith deposit will be paid to the successful bidder in the event the District is unable to deliver the Notes. Deposits accompanying bids other than the bid which is accepted will be returned promptly upon the determination of the best bidder.

#### XIII. CUSIP Numbers and Other Fees:

CUSIP numbers will be applied for and will be printed on the Notes and the cost of printing thereof and service bureau assignment will be purchaser's responsibility. Any delay, error or omission with respect thereto will not constitute cause for the purchaser to refuse to accept delivery of and pay for the Notes. The successful bidder shall also be required to pay all fees required by The Depository Trust Company, Bond Market Association, Municipal Securities Rulemaking Board, and any other similar entity imposing a fee in connection with the issuance of the Notes (see also, "California Debt Advisory and Investment Commission" below).

#### XIV. Legal Opinion:

The Notes are sold with the understanding that the purchaser will be furnished with the approving opinion of Bond Counsel, Stradling Yocca Carlson & Rauth, a Professional Corporation. A copy of the opinion will be attached to the Notes. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Notes under California law and on the exemption of the interest income on such Notes from federal and State of California income taxes. Fees of Bond Counsel will be paid from the proceeds of the sale of the Notes.

#### XV. Tax-Exempt Status:

In the opinion of Bond Counsel, under existing laws, interest on the Notes is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, interest on the Notes is not includable in the gross income of the owners of the Notes for federal income tax purposes, provided that such interest may be included in the calculation

for certain taxes, including the corporate alternative minimum tax and the corporate environmental tax. Should changes in the law cause Bond Counsel's opinion to change prior to delivery of the Notes to the purchaser, the purchaser will be relieved of its responsibility to pick up and pay for the Notes, and in that event its Deposit will be returned.

XVI. Certification of Reoffering Price:

As soon as practicable, but not later than five days following the deadline for receipt of bids for the Notes, the successful bidder must submit to the District a certificate specifying for each maturity the reoffering price at which at least 10% of the Notes of such maturity were sold (or were offered in a bona fide public offering and as of the date of award of the Notes to the successful bidder reasonably expected to be sold) to the public. Such certificate shall be in form and substance satisfactory to Bond Counsel and shall include such additional information as may be requested by Bond Counsel.

XVII. Award:

The Notes will be awarded to the responsible bidder submitting the best responsive bid, considering the interest rate or rates specified. The best bid will be the bid that represents the lowest true interest cost ("TIC") to the District for the Notes. The TIC is the discount rate that, when compounded semiannually and used to discount all debt service payments on the Notes back to the dated date of such Notes, results in an amount equal to the price bid for said Notes. In the event that two or more bidders offer bids for the Notes at the same lowest TIC, the District will determine by lottery which bidder will be awarded the Notes. The determination of the bid representing the lowest TIC will be made without regard to any adjustments made or contemplated to be made after the award by the Chief Business and Financial Officer, as described herein under "Adjustment of Principal Amounts," even if such adjustments have the effect of raising the TIC of the successful bid to a level higher than the bid containing the next lowest TIC prior to adjustment.

XVIII. Delivery:

Delivery of the Notes will be made to the purchaser through DTC upon payment in federal funds payable to or for the account of the District at the U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County, the designated Paying Agent, *Wire Transfer to: U.S. BANK NATIONAL ASSOCIATION, ABA# \_\_\_\_\_, crediting account number \_\_\_\_\_, Ref: Long Beach USD 2013 TRANS, Attn: \_\_\_\_\_ (phone: \_\_\_\_\_)*. The Closing will take place at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation, 44 Montgomery Street, Suite 4200, San Francisco, California 94104, or at the purchaser's request and expense, at any other place mutually agreeable to both the District and the purchaser.

XIX. Prompt Award:

The Chief Business and Financial Officer of the District, or his designee, will take action awarding the Notes or rejecting all bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of bid proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

XX. California Debt Advisory and Investment Commission:

The successful bidder will be required, pursuant to state of California law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will invoice the successful bidder after the closing of the Notes.

XXI. No Litigation and Non-Arbitrage:

The District will deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Notes. The District will also deliver an arbitration certificate covering its reasonable expectations concerning the Notes and the use of proceeds thereof.

XII. Official Statement:

The District will make available a Preliminary Official Statement relating to the Notes, a copy of which, along with related documents, will be furnished upon request made by mail to Keygent LLC, 999 N. Sepulveda Boulevard, Suite 500, El Segundo, California 90245, Attn: Amy Flynn, [amy.flynn@keygentcorp.com](mailto:amy.flynn@keygentcorp.com), the District's Financial Advisor for the Notes, or telephoned to said Financial Advisor at (310) 322-4222. Such Preliminary Official Statement, together with any supplements thereto, shall be in form "deemed final" by the District for the purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final official statement. The District shall deliver, at closing, a certificate, executed by appropriate officers of the District acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the Notes are true and correct in all material respects, and that the Official Statement does not contain any untrue statements of a material fact or omit to state a material fact required to be stated therein or necessary to make the statement therein, in light of the circumstances under which they were made, not misleading. Copies of the Official Statement will be made available to the purchaser without charge, up to an amount of 10 copies, within seven business days of the date of sale and additional copies will be made available upon request at the purchaser's expense.

XXIII. Continuing Disclosure:

In order to assist bidders in complying with Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934, the District will undertake in a Continuing Disclosure Certificate to provide Notice of the occurrence of certain listed events. A description of this undertaking and a form of the Continuing Disclosure Certificate is included in the Preliminary Official Statement.

XXIV. Ratings:

S&P has assigned to the Notes the rating shown on the cover page of the Preliminary Official Statement or, if not so indicated, will be available upon request from the Financial Advisor. Such rating reflects only the views of S&P and explanation of the significance of such rating may be obtained from S&P as follows: Standard & Poor's, 55 Water Street, New York, New York 10041, (212) 438-2000. There is no assurance that the rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by S&P, if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Notes.

XXV. Right to Cancel, Postpone, or Reschedule Sale:

The District reserves the right to cancel, postpone or reschedule the sale of the Notes upon notice given through the Bloomberg News Service, Thomson Municipal Market Monitor ([www.tm3.com](http://www.tm3.com)) or *The Bond Buyer* prior to the time bids are to be received. If the sale is postponed, bids will be received at the place set forth above, at the date and time as the District shall determine. Notice of the new sale date and time, if any, will be given through Bloomberg News Service, Thomson Municipal Market Monitor ([www.tm3.com](http://www.tm3.com)) or *The Bond Buyer* no later than twenty-three (23) hours prior to the new time bids are to be received. As an accommodation to bidders, telephone or fax notice of the postponement of the sale date and of the new sale date will be given to any bidder requesting such notice from the Financial Advisor. Failure of any bidders to receive such notice shall not affect the legality of the sale.

XXVI. Additional Information:

Copies of the Notice Inviting Proposals for Purchase of Notes, the form of bid, and the Preliminary Official Statement relating to the Notes will be furnished to any bidder upon request made to Keygent LLC, 999 N. Sepulveda Blvd., Suite 500, El Segundo, California 90245, telephone (310) 322-4222, Attn: Amy Flynn, [amy.flynn@keygentcorp.com](mailto:amy.flynn@keygentcorp.com).

This offer is made subject to acceptance of this Purchase Agreement by the County and the District on or before 11:59 p.m., California time, on the date hereof, and, if this Purchase Agreement is not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the County and the District.

1. **Purchase and Sale of the Notes.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the County, and the County agrees to sell to the Underwriter on behalf of the District, the Long Beach Unified School District (Los Angeles County, California) 2012-13 Tax and Revenue Anticipation Notes, in the aggregate principal amount of \$ \_\_\_\_\_ (the "Notes").

The County and the District acknowledge and agree that (i) the purchase and sale of the Notes pursuant to this Purchase Agreement is an arm's-length commercial transaction by and among the County, the District and the Underwriter, (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent or fiduciary of either the County or the District, (iii) the Underwriter has not assumed a fiduciary responsibility in favor of either the County or the District with respect to (A) the offering of the Notes or the process leading thereto (whether or not the Underwriter has advised or is currently advising the County or the District on other matters) or (B) any other obligation to the County or the District except the obligations expressly set forth in this Purchase Agreement and (iv) the County and the District have consulted with their own legal and other professional advisors to the extent they deemed appropriate in connection with the offering of the Notes.

The Notes shall be dated the date of initial execution and delivery, shall mature on \_\_\_\_\_, 2013, and shall bear interest at the rate of \_\_\_\_% per annum (with a yield to maturity of \_\_\_\_%). The aggregate purchase price to be paid by the Underwriter for the Notes is hereby agreed to be \$\_\_\_\_\_ (representing the principal amount of \$\_\_\_\_\_, plus original issue premium of \$\_\_\_\_\_, and less the Underwriter's discount of \$\_\_\_\_\_).

The Notes shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Resolutions (defined herein). The Notes shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of "Cede & Co.", as nominee of The Depository Trust Company, New York, New York ("DTC"); the Notes shall initially be in authorized denominations of \$5,000 principal amount or any integral multiple thereof.

2. **The Notes.** The Notes shall be issued and secured pursuant to the provisions authorizing resolutions adopted by the Board of Education of the District on December 18, 2012 (the "District Resolution") and the Board of Supervisors of the County on \_\_\_\_\_, 2013 (the "County Resolution," and, together with the District Resolution, the "Resolutions"), and Article 7.6, Chapter 4, Part 1, Division 2, Title 5, commencing with Section 53850 *et seq.*, of the California Government Code (the "Act").

Pursuant to Section 53854 of the Act, the Notes shall be payable from taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys (including moneys deposited in inactive or term deposits, but excepting certain moneys encumbered for a special purpose), which are generally available for payment of current expenses and other obligations of the District, and which are received in or accrued to the District's 2012-13 fiscal year (collectively, the "Unrestricted Revenues"). The District hereby pledges, as security for the payment of the principal of and interest on the Notes, the first Unrestricted Revenues received by the District as follows: (i) in the month ending \_\_\_\_\_, 2013 in an amount sufficient to pay \_\_\_\_% of the aggregate principal of and interest due on the Notes at maturity; and (ii) in the month ending \_\_\_\_\_, 2013 in an amount sufficient to pay \_\_\_\_% of the principal of and interest due on the Notes at maturity and any deficiency in amounts required to be previously deposited in the Repayment Fund (defined herein) in any prior month (collectively, the "Pledged Revenues").

The Notes shall be delivered and secured under the Resolutions. The principal and interest evidenced by the Notes shall be payable as provided in the Resolutions and as described in the Official Statement (defined herein). All capitalized items not defined herein shall have the meanings set forth in the Resolutions.

The Notes shall be registered in the name of the Cede & Co. as nominee of DTC and held for the benefit of the owners of the Notes to secure the payment of principal and interest represented by the Notes. The issuance of the Notes, and the approval of the execution and delivery of the Notes, have been duly and validly authorized or acknowledged by the County and the District pursuant to the Resolutions.

3. **Use of Documents.** In connection with the offering and sale of the Notes, the District hereby ratifies, confirms and approves of the use and distribution by the Underwriter

prior to the date hereof of the Preliminary Official Statement dated \_\_\_\_\_, 2013, relating to the Notes (together with the cover page, the appendices thereto, and any exhibits, maps, reports and statements included therein or attached thereto, any documents incorporated therein by reference, and any supplements or amendments thereto, the "Preliminary Official Statement") which, as of its date, the District has deemed final (and which determination the District hereby confirms and ratifies) for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, (the "Rule") except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Notes which depend upon the foregoing as provided in and pursuant to the Rule.

The Underwriter agrees that prior to the time the final official statement, substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (together with the cover page, the appendices thereto, and any exhibits, maps, reports and statements included therein or attached thereto, any documents incorporated therein by reference, and any supplements or amendments thereto, the "Official Statement") relating to the Notes is available, the Underwriter will make available to any potential purchaser of the Notes, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received. The Underwriter agrees to file the final Official Statement, including any supplement or amendment thereto, with the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access system (the "EMMA System") or as otherwise provided by the MSRB or the SEC within one (1) business day of receipt thereof from the District, but, in any event, by no later than the date of the Closing.

The County and the District hereby authorize the Underwriter to use and distribute the Resolutions, the Preliminary Official Statement and the Official Statement and the information contained in each such document in connection with the offering and the sale of the Notes

4. **Closing.** At 9:00 a.m., California time, on \_\_\_\_\_, 2013, or at such earlier or later time or date as shall be agreed by the County, the District and the Underwriter (such time and date being herein referred to as the "Closing"), the County and the District will deliver to the Underwriter, for redelivery through DTC, in New York, New York (or such other location as may be designated by the Underwriter), the Notes in the form of one or more (as may be required by DTC) fully registered Notes (which may be typewritten) duly executed in accordance with the Resolutions, and will deliver or cause to be delivered to the offices of Stradling Yocca Carlson & Rauth, San Francisco, California ("Bond Counsel") (or such other location as may be designated by the Underwriter), the other documents herein mentioned.

It shall be a condition to the obligation of the Underwriter to purchase, to accept delivery of and to pay for the Notes, that the entire aggregate principal amount of the Notes authorized to be executed and delivered by the Resolutions shall be sold and delivered at the Closing. The Underwriter will accept such delivery and pay the purchase price of the Notes as set forth in Section 1 herein by wire transfer in immediately available funds. Notwithstanding the foregoing, neither the failure to print CUSIP numbers on any Notes nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Notes on the Closing Date in accordance with the terms of this Purchase Agreement. The Notes

shall be made available to the Underwriter, not later than one business day before the Closing Date for purposes of inspection and packaging.

5. **Representations, Warranties and Agreements of the District.** The District represents, warrants and agrees as follows:

(a) The District is, and will be at the Closing Date, a duly organized, validly existing and operating unified school district pursuant to the laws of the State of California (the "State") with full power and authority to cause the Notes to be issued by the County on its behalf and to observe and perform the covenants and agreements set forth in the District Resolution, and this Purchase Agreement;

(c) The adoption of the District Resolution and the execution and delivery of this Purchase Agreement and the Note, and compliance with the provisions on the District's part contained therein do not and will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, statute, indenture, mortgage, deed of trust, bond, note, resolution, agreement or other instrument to which the District is a party or by which the District or, to its knowledge, any of its properties are bound, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the District which materially adversely affects the security for the Notes under the terms of any such law, administrative regulation, judgment, decree, statute, indenture, mortgage, deed of trust, bond, note, resolution, agreement or other instrument, except as provided in the District Resolution;

(d) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Notes or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as have been taken or obtained and except for such actions as may be necessary to qualify the Notes for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that in connection with any such request the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof;

(e) Other than as set forth in the Official Statement, there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, governmental agency, public board or body, which has been formally served on the District or, to the knowledge of the District, pending or threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or

of the titles of the officials of the District to such offices; (ii) or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement; or (iii) seeking to restrain, prohibit or enjoin the sale, issuance or delivery of any of the Notes, the application of the proceeds of the sale of the Notes or the collection of revenues or assets of the District pledged or to be pledged or available to pay the principal of and interest on the Notes, or the pledge thereof, or in any way contesting the powers of the District or its authority with respect to the Notes, the Resolutions or this Purchase Agreement or in any way contesting or affecting the validity or enforceability of the Notes; or (iv) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Agreement or the Resolutions, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Notes from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation;

(f) All representations and warranties set forth in the District Resolution are true and correct on the date hereof and are made for the benefit of the Underwriter as if set forth herein, and the District Resolution is in full force and effect and has not been amended or supplemented as of the date hereof;

(g) The District has complied with the Internal Revenue Code of 1986, as amended, with respect to the Notes;

(h) The District has not issued and will not issue any obligation or obligations, other than the Notes, to finance the working capital deficit for which the Notes are being issued or which may or must be repaid from the Pledged Revenues, or that ranks prior to or on a parity with the pledge of Pledged Revenues created by the Resolutions;

(i) Both at the time of acceptance hereof by the District, and at the Closing Date and at all times subsequent thereto during the period up to and including twenty-five (25) days after the end of the underwriting period (as described below), the Preliminary Official Statement as of its date and the Official Statement are and will be true, correct and complete in all material respects and the Official Statement does not and will not, as of the Closing Date and at all times subsequent thereto during the period up to and including twenty-five (25) days after the end of the underwriting period (as described below), omit to state any material fact required to be stated therein or necessary to make the statements and information contained therein, in the light of the circumstances under which they were made, not misleading in any material respect;

(j) If between the date of this Purchase Agreement and twenty-five (25) days after the end of the underwriting period an event occurs or facts or conditions become known, of which the District has knowledge, which in the opinion of the Underwriter, might or would cause the information in the Official Statement, as then supplemented or amended, to contain an untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the information therein, in the light of the circumstances under which it was presented, not misleading, the District will notify the Underwriter, and if in the opinion of the Underwriter such event, fact or condition requires the preparation and publication of a supplement or amendment to the Official Statement, the District will amend or supplement the Official Statement in a form and in a manner approved by the Underwriter

(1) For purposes of this Purchase Agreement, the "End of the Underwriting Period" is used as defined in Rule and shall occur on the later of (A) the date of Closing or (B) when the Underwriter no longer retains an unsold balance of the Notes. Unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the Closing Date;

(k) The terms and provisions of this Purchase Agreement comply in all material respects with the requirements of the District Resolution, and the District Resolution constitutes, and this Purchase Agreement, assuming due authorization, execution and delivery by the other respective parties thereto, will constitute, the valid and binding obligations of the District, enforceable in accordance with their terms, subject to bankruptcy, insolvency, moratorium and other similar laws affecting creditors' rights generally and to equitable principles when equitable remedies are sought;

(l) The District is not in violation or breach of or default under any applicable law or administrative rule or regulation of the United States or any state thereof having jurisdiction over the District or its properties, or of any department, division, agency or instrumentality of any state thereof, or any applicable court judgment or administrative decree or order, or any lease, note, resolution, indenture, contract, agreement or other instrument to which the District is a party or is otherwise (to its knowledge) subject or bound, or to which any of its property is otherwise subject, which in any way materially affects the issuance of the Notes or the validity thereof, this Purchase Agreement or the District Resolution, or materially adversely affects the ability of the District to perform any of its obligations under any thereof;

(m) The Unrestricted Revenues received by the District in the months ending \_\_\_\_\_, 2013 and \_\_\_\_\_, 2013 used to repay the Notes constitute State apportionment funding previously due to the District during Fiscal Year 2012-13 but which, due to the deferral of certain State monies by the State, will not be received until the fiscal year following Fiscal Year 2012-13 (the "Deferred Revenues"). Any such Deferred Revenues shall be accrued to Fiscal Year 2012-13 and are determined to be legally available to pay the principal of and interest on the Notes.

(n) The District will punctually pay or cause to be paid the principal of and interest on the Notes in strict conformity with the terms of the Resolutions and the Notes and it will faithfully observe and perform all of the conditions, covenants and requirements of the Notes and the Resolutions. The District will cause the Pledged Revenues to be deposited in the Long Beach Unified School District, 2012-13 Tax and Revenue Anticipation Notes Repayment Fund (the "Repayment Fund") as follows: an amount equal to \_\_\_\_% of the principal of and interest due on the Notes at maturity on or before \_\_\_\_\_, 2013; and an amount equal to \_\_\_\_% of the principal of and interest due on the Notes at maturity on or before \_\_\_\_\_, 2013. To the extent the District does not receive sufficient Deferred Revenues on or prior to the deposit dates indicated in the preceding sentence, the District will deposit other the amounts required from other funds received in or accrued to Fiscal Year 2012-13.

(o) Any certificate signed by an authorized officer of the District and delivered to the Underwriter or shall be deemed a representation and warranty by the District in

connection with this Purchase Agreement to the Underwriter as to the statements made therein for the purposes for which such statements are made;

(p) The District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter, as the Underwriter may reasonably request in order to qualify the Notes for offer and sale under the Blue Sky or securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may request; provided, however, that the District will not be required to consent to service of process in any such jurisdiction or to qualify as a foreign corporation in any such jurisdiction;

(q) The District Resolution creates a valid pledge of, lien on, and security interest in, the Notes and the other funds and assets purported to be pledged under such District Resolution, prior in right to any other pledge, lien or security interest in the Notes or such other funds and assets;

(r) Other than as described in the Official Statement, the District has not within the current or preceding fiscal year received a qualified or negative certification on any interim financial report pursuant to Section 42131 of the Education Code, and the District does not expect to receive a qualified or negative certification on any such interim financial report within the remainder of the current fiscal year;

(s) The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Purchase Agreement is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District in such quantities as may be requested by the Underwriters not later than five (5) business days following the date this Purchase Agreement is signed, in order to permit the Underwriters to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board; and

(t) The District agrees, pursuant to the District Resolution and as described in the Preliminary Official Statement and the Official Statement, to provide or cause to be provided to the Municipal Securities Rulemaking Board in a timely manner notice of certain enumerated events respecting the Notes and the related Notes. At or prior to the Closing, the District shall have duly authorized, executed and delivered a continuing disclosure certificate requiring the District to provide notices of such events (the "Continuing Disclosure Certificate"). These agreements have been made in order to assist the Underwriter in complying with the Rule. Except as disclosed in the Official Statement, the District has not, within the past five years, failed to file any portions of the Annual Reports and notices of enumerated event required by its existing continuing disclosure obligations.

6. **Representations, Warranties and Agreements of the County.** The County represents, warrants and agrees as follows:

(a) The County is a political subdivision duly organized and validly existing under the laws of the State of California, with the power to issue the Notes pursuant to the Act.

(b) (i) At or prior to the Closing, the County will have taken all action required to be taken by it to authorize the issuance and delivery of the Notes; (ii) the County has full legal right, power and authority to enter into this Purchase Agreement, to adopt the County Resolution, to issue and deliver the Notes to the Underwriter on behalf of the District and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Agreement and the County Resolution; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in the Notes, the County Resolution and this Purchase Agreement have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) assuming due authorization, execution and delivery by the other parties hereto, this Purchase Agreement constitutes a valid and legally binding obligation of the County; and (v) the County has duly authorized the consummation by it of all of its transactions contemplated by this Purchase Agreement.

(c) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Notes or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Notes for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained; provided, however, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) To the best knowledge of the County, the issuance of the Notes, the execution, delivery and performance of this Purchase Agreement, the County Resolution and the Notes, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is (1) pending, in which service of process has been completed on the County, or (2) to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Notes, or in any way contesting or affecting the validity or enforceability of the Notes, this Purchase Agreement or the Resolutions or contesting the powers of the County or its authority with respect to the Notes, the Resolutions or this Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by this Purchase Agreement or the Resolutions, or (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part.

(f) Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any

bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(g) The County has not issued and will not issue any obligation or obligations, other than the Notes, to finance the working capital deficit of the District for which the Notes are being issued;

(h) Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

(i) The section of the Preliminary Official Statement entitled "Los Angeles County Treasury Pool," at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing Date, the section of the Final Official Statement entitled "Los Angeles County Treasury Pool" did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) The County will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter, as the Underwriter may reasonably request in order to qualify the Notes for offer and sale under the Blue Sky or securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may request; provided, however, that the County will not be required to consent to service of process in any such jurisdiction or to qualify as a foreign corporation in any such jurisdiction; and

(k) All of the Notes shall be general obligations of the District, and, to the extent not paid from revenues pledged thereto, they shall be paid from any other moneys of the District lawfully available therefor, and are not payable in any way from County moneys or other assets of the County.

7. **Representations, Warranties and Agreements of the Underwriter.** The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the date of the Closing:

(a) The Underwriter is duly authorized to execute this Purchase Agreement and to take any action under the Purchase Agreement required to be taken by it.

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the County and the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship, as that term is defined in California Government Code Section 53590(c) or MSRB Rule G-23, with the District or the County with respect to the Notes, and no investment firm controlling,

controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

(d) The Underwriter agrees to provide to the District written notice of the commencement of the period specified in Section 5(j) hereof.

8. **Conditions to Closing.** The Underwriter has entered into this Purchase Agreement in reliance upon the representations, warranties and covenants of the County and the District contained in the Resolutions and to be contained in the documents and instruments to be delivered at the Closing (hereinafter referred to collectively as the "Delivery Certificates") and upon the performance by the District and the County of their respective obligations hereunder and under the Resolutions (collectively, the "Documents"), both as of the date hereof and as of the Closing Date. Accordingly, the Underwriter's obligation under this Purchase Agreement to purchase, to accept delivery of and to pay for the Notes shall be subject to the performance by the County and the District of their respective obligations to be performed hereunder and under the Documents to which they are a party at or prior to the Closing and shall also be subject to the following conditions, including the delivery by the District of such documents as are contemplated hereby in form and substance satisfactory to Bond Counsel and to the following additional conditions:

(a) The representations and warranties of the County and the District contained herein and in their respective Delivery Certificates shall be true, complete and correct in all material respects as of the date thereof, and the representations and warranties of the County and the District contained in their respective resolution shall be true, complete and correct in all material respects on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing. The County and the District shall inform the Underwriter prior to the Closing if it has actual knowledge that any of the representations and warranties contained herein or in their respective Delivery Certificate, or resolution has become false or misleading prior to the Closing.

(b) At the time of the Closing, all official action of the County and the District relating to the Resolutions shall be in full force and effect and shall not have been revoked, amended, modified or supplemented.

(c) The Underwriter shall have the right to terminate the Underwriter's obligation under this Purchase Agreement to purchase, to accept delivery of and to pay for the Notes by notifying the District and the County of its election to do so if, after the execution hereof and prior to the Closing:

(i) the offering, sale and delivery of the Notes or the market price thereof, in the reasonable opinion of the Underwriter, has been or will be materially and adversely affected by an amendment or proposed amendment to the Constitution of the United States or the State or by any federal or State legislation or the promulgation or proposed promulgation of any rule or regulation thereunder or by any decision of any federal, State, or local court or by any ruling or regulation (final, temporary or proposed) by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other federal or State authority, affecting (1) the federal income tax status of the District, its property or income or its obligations (including the Notes) or (2) the

federal income tax status of the interest on the Notes or the validity of the Notes or any of the Documents; or

(ii) there shall have occurred any outbreak of hostilities or escalation of hostilities or change in financial markets other national or international calamity or crisis, in the reasonable opinion of the Underwriter, would make it impracticable or inadvisable to proceed with the offer, sale or delivery of the Notes on the terms and in the manner contemplated in the Official Statement; or

(iii) there shall have occurred a general suspension of trading on the New York Stock Exchange or the declaration of a general banking moratorium by the United States or authorities of the States of New York or California; or

(iv) there shall have occurred any adverse change or any development involving a prospective change in the condition, financial or otherwise, of the District, which, in the reasonable opinion of the Underwriter, would make it impracticable or inadvisable to proceed with the offer, sale or delivery of the Notes on the terms and in the manner contemplated in the Official Statement; or

(v) legislation shall be enacted, or a decision of a court of competent jurisdiction shall be rendered or any action shall be taken by or on behalf of, the Securities and Exchange Commission, the California Department of Corporations or any other federal or state governmental agency having jurisdiction in the subject matter which, in the opinion of counsel to the Underwriter, has the effect of requiring registration or qualification of the issuance, offering or sale of the Notes, or of obligations of the general character of the Notes as contemplated hereby, under the Securities Act of 1933, as amended, or the Trust Agreement under the Trust Indenture Act of 1939, as amended; or

(vi) the New York Stock Exchange or other national securities exchange, or any governmental authority, shall impose, as to the Notes or obligations of the general character of the Notes, any material restrictions not now in force or being enforced, or increase materially those now in force, with respect to extension of credit by, or the charges to the net capital requirements of, the Underwriter; or

(vii) any event shall have occurred or shall exist which either (A) makes untrue or incorrect in any material respect any statement or information contained in or appended to the Official Statement, or (B) is not reflected in the Official Statement or the Appendices thereto and should be reflected therein in order to make the statements and information contained therein not misleading in any material respect (for the purposes of this paragraph the Preliminary Official Statement shall be deemed to be the Official Statement until such time as a final Official Statement is printed and delivered to the Underwriter); or

(viii) the withdrawal, downgrading, or change in credit watch status of any rating of the District's outstanding indebtedness by a national rating agency.

(d) At or prior to the Closing, the Underwriter shall have received the following documents:

- (1) The Official Statement.
- (2) An original or a certified copy of the County Resolution.
- (3) A certified copy of the District Resolution.
- (4) The unqualified approving opinion, dated the Closing Date and addressed to the District, of Bond Counsel in the form attached to the Official Statement as Appendix B, together with a letter to the Underwriter stating that the Underwriter is entitled to rely on such approving opinion.

(5) A supplemental opinion, dated the Closing Date and addressed to the District and Underwriter, of Bond Counsel in form and substance satisfactory to the Underwriter, substantially to the effect that:

(i) the statements contained in the Official Statement dated October 17, 2012 (the "Official Statement") under the captions "INTRODUCTION," "THE NOTES," "SECURITY FOR AND SOURCES OF PAYMENT OF THE NOTES," and "TAX MATTERS" insofar as such statements expressly summarize certain provisions of the Notes, the Resolutions and the form and content of Bond Counsel's approving opinion with respect to the Notes, fairly and accurately summarize the information presented therein; and

(ii) the Notes are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Resolutions are exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

(6) An opinion of Stradling Yocca Carlson & Rauth, in its role as Disclosure Counsel, addressed to the District in a form and substance satisfactory to the District.

(7) Certificates from each of the County and the District, dated the Closing Date and signed by an authorized officer of the County or the District, respectively, to the effect that, to their best knowledge, belief and information:

(i) the representations and warranties of the County or District contained in this Purchase Agreement are true and correct in all material respects on and as of the date of the Closing as if made on the date of the Closing;

(iii) no event affecting the County or the District has occurred since the date of the Official Statement which is not described in the Official

Statement but should be disclosed in such Official Statement in order to make the statements and information therein not misleading in any material respect.

(8) At the Closing, a certificate of the District executed by an authorized officer of the District, in form and substance acceptable to the Underwriter and Bond Counsel, dated as of the Closing Date, setting forth facts, estimates and circumstances concerning the use or application of the proceeds of the Notes, and stating in effect that on the basis of such facts, estimates and circumstances in existence on the date of the Closing, it is not expected that the proceeds of such Notes will be used in a manner that would cause such Notes to be "arbitrage bonds" within the meaning of Section 148(a) of the Internal Revenue Code of 1986 (the "Code") and the regulations promulgated thereunder or under the statutory predecessor of the Code.

(9) At or prior to the Closing, evidence shall be delivered that the Notes shall have been rated "\_\_\_\_" by Standard & Poor's, and that such rating is in full force and effect as of the Closing Date.

### FORM OF OPINION OF COUNSEL TO THE DISTRICT

Board of Education  
Long Beach Unified School District  
Long Beach, California

[Underwriter TBD]

*Long Beach Unified School District  
(Los Angeles County, California)  
2012-13 Tax and Revenue Anticipation Notes*

Ladies and Gentlemen:

We are the counsel for the Long Beach Unified School District (the "District"), and in such capacity are familiar with all the facts and circumstances in connection with that certain resolution of the District (the "Resolution"), adopted by the Board of Education of the District (the "Governing Board") authorizing the borrowing of funds for fiscal year 2012-13 by means of the issuance of the District's 2012-13 Tax and Revenue Anticipation Notes (the "Notes"). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Purchase Agreement for the Notes, entered into by and among the District, the County of Los Angeles, and \_\_\_\_\_ (the "Purchase Agreement").

We have examined and relied upon such records, documents, certificates, and other matters as are in our judgment necessary to enable us to render the opinions expressed herein. Based on the foregoing, and with regard to California law and the federal laws of the United States of America, we are of the opinion that:

1. The District is a duly organized, validly existing and operating unified school district pursuant to the laws of the State of California.
2. The District Resolution was duly adopted at a meeting of the governing body of the District which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption.
3. The District Resolution and the Purchase Agreement have been duly executed and remain in effect and valid, binding and enforceable against the District, except as limited by bankruptcy, moratorium, reorganization, insolvency or other laws affecting creditors; rights generally or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases.
4. To the best of our knowledge, without independent investigation, and in sole reliance on a signed certificate of the District to such effect, there is no litigation against the

District of any nature pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Notes, or any of the proceedings taken with respect to the issuance and sale of the Notes, the application of moneys to the payment of the Notes or in any manner questioning the proceedings and authority under which the Notes were authorized or affecting the validity of the Notes or the title of officials of the District who have acted with respect to the proceedings for the issuance and sale of the Notes to their respective offices.

5. To the best of our knowledge, without independent investigation, and in sole reliance on a signed certificate of the District to such effect, the issuance of the Notes does not and will not conflict with or constitute on the part of the District a material breach of, or a default under any instrument, to which the District is subject or by which it is bound.

## **EXHIBIT B**

### **FORM OF OPINION OF COUNTY COUNSEL**

*Long Beach Unified School District  
(Los Angeles County, California)  
2012-13 Tax and Revenue Anticipation Notes*

Ladies and Gentlemen

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance, on behalf of the Long Beach Unified School District (the "District") by the County of the Long Beach Unified School District (Los Angeles County, California) 2012-13 Tax and Revenue Anticipation Notes in the aggregate principal amount of \$\_\_\_\_\_ (the "Notes"). The Notes are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on \_\_\_\_\_, 2013 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Education of the District on December 18, 2012 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.
2. The County Resolution approving and authorizing the execution and delivery of the Purchase Agreement and the issuance of the Notes was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.
3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending, in which service of process has been completed on the County, or, to the best knowledge of the County, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Notes to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Agreement or the issuance of the Notes or in any way contesting or affecting the validity or enforceability of the Notes, the Purchase Agreement, or the County Resolution; or (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Agreement.

4. The Purchase Agreement has been duly authorized, executed and delivered by the County and the Notes have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Agreement will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Purchase Agreement and the Notes may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Agreement or the Notes.

Very truly yours,

JOHN F. KRATTLI,  
COUNTY COUNSEL

## RESOLUTION NO. 121812-A

### **A RESOLUTION OF THE GOVERNING BOARD OF EDUCATION OF THE LONG BEACH UNIFIED SCHOOL DISTRICT AUTHORIZING THE ISSUANCE OF 2012-2013 TAX AND REVENUE ANTICIPATION NOTES AND REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO ISSUE SAID NOTES**

**WHEREAS**, pursuant to Sections 53850 *et seq.* of the Government Code of the State of California (the "Act") contained in Article 7.6 thereof, entitled "Temporary Borrowing" on or after the first day of any fiscal year (being July 1), a school district may borrow money by issuing notes for any purpose for which the school district is authorized to use and expend moneys, including but not limited to, current expenses, capital expenditures, investment and reinvestment, and the discharge of any obligation or indebtedness of the school district; and

**WHEREAS**, Section 53853 of the Act provides that, in the case of school district which has not been accorded fiscal accountability status pursuant to Section 42647 of the California Education Code, such notes must be issued in the name of the school district by the board of supervisors of the county, the county superintendent of schools of which has jurisdiction over such school district, as soon as possible following the receipt of a resolution of the governing board of such school district requesting the borrowing; and

**WHEREAS**, the County Superintendent of Schools (the "County Superintendent") of the County of Los Angeles (the "County") has jurisdiction over the Long Beach Unified School District (the "District"), and this Board of Education (the "Board"), being the governing board of the District, hereby requests the borrowing of not-to-exceed \$125 million at an interest rate not to exceed the maximum rate allowed by law, through the issuance by the Board of Supervisors of the County (the "County Board") of 2012-13 Tax and Revenue Anticipation Notes (the "Notes") in the name of the District, such Notes to be sold by competitive or negotiated sale, as further described herein; and

**WHEREAS**, such Notes may be made payable no later than thirteen months after the date of delivery thereof; and

**WHEREAS**, pursuant to Section 53856 of the Act, the District may pledge, as security for the payment of the Notes, any taxes, income, revenue (including but not limited to, revenue from State and federal governments), cash receipts or other moneys, including moneys deposited in inactive or term deposits (but excepting moneys encumbered for a special purpose); and this Resolution specifies that certain of such revenues which will be received by the District for the General Fund thereof shall be pledged for the payment of the Notes; and

**WHEREAS**, the Notes shall be a general obligation of the District, and, to the extent not paid from Unrestricted Revenues (defined herein) pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Act, and shall not in any way be payable from County moneys; and

**WHEREAS**, the Notes shall be in denominations of \$5,000 principal amount, or integral multiples thereof, as permitted by Section 53854 of the Act; and the Notes shall further be issued on a date to be designated pursuant to, and shall be in the form and executed in the manner prescribed in this Resolution and the County Resolution (defined herein), all as permitted and required by Section 53853 of the Act; and

**WHEREAS**, the Board has found and determined that said \$125 million maximum principal amount of Notes to be issued in the name of the District by the County Board in fiscal year 2012-13, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon, as required by Section 53858 of the Act; and

**WHEREAS**, the Notes will not be issued in an amount greater than the maximum anticipated cumulative cash flow deficit to be financed by the anticipated tax or other revenue sources for the period for which such taxes or other revenues are anticipated and during which such Notes are outstanding, all as provided in Section 1.103-14(c) of the Income Tax Regulations of the United States; and

**WHEREAS**, the District has not filed, during the current fiscal year, and did not file, during the immediately preceding fiscal year, a qualified or negative interim financial report pursuant to Section 42131 of the Education Code;

**NOW, THEREFORE, THE BOARD OF EDUCATION OF THE LONG BEACH UNIFIED SCHOOL DISTRICT HEREBY RESOLVES AS FOLLOWS:**

**Section 1. Authorization of Issuance of Notes; Terms Thereof; Paying Agent.** The Board hereby requests the County Board to issue, in the name of the District, an amount not to exceed \$125 million principal amount of Notes under Sections 53850 *et seq.* of the Act, designated "Long Beach Unified School District, County of Los Angeles, State of California, 2012-13 Tax and Revenue Anticipation Notes." The Notes are authorized to be issued in one or more series of Notes, with appropriate series designation if more than one series of Notes is issued, numbered from 1 consecutively upward in order of issuance, and in the denominations of \$5,000 principal amount or integral multiples thereof. The Notes shall be dated the date of delivery thereof; shall mature (with or without option of prior redemption, as determined at the time of sale) on a day (or days, if more than one series of Notes is issued) in which banks in New York or California are open for business and no later than thirteen months after the date of issuance (on a 30-day month/360-day year basis); and shall bear interest, payable on or before maturity and computed on a 30-day month/360-day year basis, at the per annum rate or rates not in excess of the maximum rate allowed by law.

Both the principal of and interest on the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the principal office of the Treasurer and Tax Collector of the County (the "Treasurer"), who is hereby designated as the paying agent, authentication agent, registrar and transfer agent for the Notes (in such capacity, the "Paying Agent"). The Treasurer is further authorized to contract with any third party to perform the services of Paying Agent hereunder. For purposes of the Notes, the Paying Agent shall be deemed to be a "fiscal agent" within the meaning of Section 53601 of the Government Code of the State of California. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable.

**Section 2. Form of Notes.** The Notes shall be initially issued as fully-registered book-entry certificates and shall be substantially in the form set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures. The Notes shall be initially registered in the name of "Cede & Co." as nominee of The Depository Trust Company, and shall be evidenced by one or more note certificates, in the

full principal amount of the Notes. The Depository Trust Company, New York, New York is hereby appointed the depository for the Notes. Registered ownership may not thereafter be transferred except as set forth in the resolution of the County Board authorizing the issuance of the Notes by the County pursuant to Section 53853 of the Act (the "County Resolution"). There shall be attached to each Note the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, respecting the validity of said Notes.

**Section 3. Deposit of Note Proceeds; No Arbitrage.** The moneys so borrowed shall be deposited in the General Fund of the District. The District hereby covenants that it will make no use of the proceeds of the Notes that would cause the Notes to be "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"); and, to that end, so long as any of the Notes are outstanding, the District, and all of its officers having custody or control of such proceeds, shall comply with all requirements of said section, including restrictions on the use and investment of proceeds of the Notes and the rebate of a portion of investment earnings on certain amounts, including proceeds of the Notes, if required, to the Federal government, and of the Income Tax Regulations of the United States Treasury promulgated thereunder or under any predecessor provisions, to the extent that such regulations are, at the time, applicable and in effect, so that the Notes will not be "arbitrage bonds."

**Section 4. Payment of Notes.**

(A) **Source of Payment.** The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys (including moneys deposited in inactive or term deposits, but excepting certain moneys encumbered for a special purpose), as provided in Section 53856 of the Act, and which are generally available for the payment of current expenses and other obligations of the District (collectively, the "Unrestricted Revenues").

To the extent the Notes mature during the fiscal year succeeding fiscal year 2012-13, the Notes shall be payable only from Unrestricted Revenues which are received in or accrued to fiscal year 2012-13. Included in such revenues are State apportionments which otherwise would have been or would be received between July 2012 through June 2013 but which, due to the deferral of such apportionments by the State, will not be received until after June 30, 2013 (collectively, the "Deferred Revenues"). The Deferred Revenues are hereby determined to be accrued to the District's 2012-13 fiscal year, and are further determined to be lawfully available to pay the principal of and interest on the Notes.

The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Unrestricted Revenues pledged to the repayment thereof described herein, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) **Pledged Revenues.** Except as otherwise provided for in the Note Purchase Agreement or Notice Inviting Bids (as such terms are defined herein), or in the Note, as security for the payment of the principal of and interest on the Notes, the District hereby pledges an amount equal to fifty percent (50%) of the principal of the Notes from the first Unrestricted Revenues received by the District in the month ending July 31, 2013; and an amount equal to fifty percent (50%) of the principal of the Notes, 100% of the interest due thereon, as well as any deficiency in the amount required to be deposited during any prior

month, from the first Unrestricted Revenues received by the District in the month ending August 31, 2013 (such pledged amounts being hereinafter referred to as the "Pledged Revenues"). Except as otherwise provided for in the Note Purchase Agreement or Notice Inviting Bids, Pledged Revenues shall be deposited by the District no later than the last day of each month specified above into the Repayment Fund (defined herein).

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient Unrestricted Revenues received by the District to permit the deposit into the Repayment Fund, of the full amount of Pledged Revenues to be deposited from such Unrestricted Revenues, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for repayment of the Notes and the interest thereon.

(C) Covenant Regarding Additional Short-term Borrowing. The District hereby covenants and warrants that, while provision for the payment of principal and interest on the Notes has not been made, the District will not request the Treasurer to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District during the 2012-13 fiscal year pursuant to the authority of Article XVI, Section 6 of the Constitution of the State of California or any other legal authority.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held in a special fund designated as the "Long Beach Unified School District, 2012-13 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and applied as directed in this Resolution. The District, in consultation with the Treasurer, shall direct the moneys in the Repayment Fund to be invested, as provided in Section 4(E) of this Resolution. Any moneys accounted for in the Repayment Fund shall be for the benefit of the holders of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

(E) Disbursement and Investment of Moneys in Repayment Fund. From the date this Resolution takes effect, all Pledged Revenues shall, as and when received, be accounted for in the Repayment Fund. After such date as the amount of Pledged Revenues accounted for in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District upon the request of the District. On the maturity date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys accounted for in the Repayment Fund, to the greatest extent possible, shall be invested at the request of the District in either investment securities by the Treasurer (or independent fiscal agent), or otherwise as permitted by applicable California law and Section 9 hereof, as it is now in effect and as it may be amended, modified or supplemented from time to time including the investments authorized in this Resolution; provided that no such investments shall have a maturity date later than the maturity date of the Notes.

**Section 5. Execution of Notes.** The District hereby requests the Chair of the County Board to sign the Notes manually or by facsimile signature; the Treasurer to sign the Notes manually or by facsimile signature; and the Executive Officer-Clerk of the County Board (the "Clerk") to countersign the Notes manually or by facsimile signature; and said officers to cause the blank spaces thereof to be filled in as may be appropriate. The District also authorizes the Paying Agent to authenticate the Notes. No Note shall be valid or obligatory for any purpose or shall be entitled to any security or benefit hereunder unless and until the certificate of authentication printed on the Note is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Note so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**Section 6. Authorization of Preliminary Official Statement, Official Statement.** The Preliminary Official Statement relating to the Notes, substantially in the form on file with the Secretary of the Board is hereby approved and the Superintendent, the Chief Business and Financial Officer, or a designated deputy thereof (collectively, the "Authorized Officers"), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Financial Advisor (as defined herein), in the case of competitive sale, or the Underwriter (as defined herein), in the case of a negotiated sale, to be used in connection with the offering and sale of the Notes. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

**Section 7. Approval of Note Purchase Agreement.** The Board hereby approves the sale of the Notes at a negotiated sale or a competitive sale. The Authorized Officers are hereby authorized to determine the method of sale, pursuant to the provisions hereof, based on which method of sale is most likely to contribute to the District's overall goal of achieving the lowest overall cost of funds.

(A) If the Notes are sold at a negotiated sale, such sale shall be undertaken pursuant to the terms of a note purchase agreement (the "Note Purchase Agreement"), by and among the District, the County and the Underwriter, the form of which, as presented at this meeting and on file with the Secretary to the Board, is hereby approved. The Authorized Officers, each alone, are hereby authorized to execute and deliver the Note Purchase Agreement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the maximum interest rate on the Notes shall not exceed that authorized by law and that the Underwriter's discount shall not exceed 1.0% of the par amount of the Notes. The Authorized Officers are hereby further authorized to determine the maximum principal amount of Notes to be specified in the Note Purchase Agreement, up to \$125 million and to enter into and execute the Note Purchase Agreement with the Underwriter and the County, if the conditions set forth in this Resolution and the County Resolution are satisfied.

(B) If the Notes are sold at a competitive sale, such sale shall be undertaken pursuant to the Notice Inviting Proposals for the Purchase of Notes (the "Notice Inviting Bids"),

as set forth in Exhibit B hereto. The Authorized Officers are hereby further authorized to execute the Notice of Intention to Sell Notes attached hereto as Exhibit C (the "Notice of Intention") and to cause the Notice of Intention to be published once at least five (5) days prior to the date set to receive bids in The Bond Buyer.

The terms and conditions of the offering and the sale of the Notes shall be as specified in the Notice Inviting Bids. The Board shall award the sale of the Notes by acceptance of the bids with the lowest true interest cost with respect to the Notes, so long as the principal amount of the Notes does not exceed \$125 million, and the interest rate on the Notes does not exceed the maximum rate authorized by law.

The Financial Advisor is hereby authorized and directed to cause to be furnished to prospective bidders a reasonable number of copies of the Notice Inviting Bids (including the Bid Form included as Schedule I) and a reasonable number of copies of the Official Statement.

The Financial Advisor and/or Bond Counsel are hereby authorized and directed to open the bids at the time and place specified in the Notice Inviting Bids and to present the same to the Authorized Officers and/or authorized officers of the County. The Financial Advisor and/or Bond Counsel are hereby authorized and directed to receive and record the receipt of all bids made pursuant to the Notice Inviting Bids; to cause said bids to be examined for compliance with the Notice Inviting Bids; and to cause computations to be made as to which bidder has bid the lowest true interest cost with respect to the Notes, as provided in the Notice Inviting Bids, along with a report as to the foregoing and any other matters deemed pertinent to the award of the Notes and the proceedings for the issuance thereof.

**Section 8. Delivery of Notes.** The proper officers of the County Board are hereby requested to deliver the Notes to the purchaser thereof. All actions heretofore taken by the officers and agents of the District, including the members of the Board, the Authorized Officers or their designees, with respect to the Notes are hereby approved, confirmed and ratified, and the officers of the District, including the Authorized Officers, are hereby authorized and directed to do any and all things and take any and all actions which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this Resolution and the County Resolution.

**Section 9. Proceeds of Notes Conditionally Pledged; Investment of Note Proceeds; Authorization to Invest Note Proceeds.** Notwithstanding anything to the contrary contained herein, the proceeds of the Notes shall be pledged to the payment of the Notes in the event and to the extent sufficient Pledged Revenues of the District and other legally available revenues are not deposited into the Repayment Fund. In addition to investments in the Pooled Investment Fund maintained by the Treasurer, pursuant to Section 53601(1) of the Government Code of the State of California, the following are hereby designated as additional authorized investments for the proceeds of the Notes and monies on deposit in the Repayment Fund: (i) a guaranteed investment contract with a financial institution or insurance company which has or its guarantor has at the date of execution thereof one or more outstanding issues of unsecured, uninsured and unguaranteed debt obligations or a claims paying ability rated not lower than the second highest rating category (without regard to subcategories) by Standard & Poor's Ratings, a Standard & Poor's Financial Services LLC business and Moody's Investors Service; or (ii) the Local Agency Investment Fund (LAIF) administered by the State of California.

**Section 10. Continuing Disclosure.** The Board hereby covenants and agrees that it will comply with and carry out, and authorizes and directs the Authorized Officers, each alone,

to comply and carry out, all of the provisions of that certain Continuing Disclosure Certificate dated the date of issuance and delivery of the Notes, as originally executed and as it may be amended from time to time in accordance with the terms thereof (the "Continuing Disclosure Certificate"). Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered an event of default under this Resolution; however, any Noteholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section.
